AGRICULTURAL MERCHANTS

Tarff Valley Membership and the Benefits

Tarff Valley Ltd is a farmer owned cooperative and was formed in 1903, and over 100 years later we can boast to have in excess of 1200 members. The company now has a turnover in the region of £55 million, with over 100 employees with sites all over Southern Scotland, the Western Isles and North West Cumbria. The business is run on a commercial basis by a team of professional staff and is governed by a board of directors made up of 6 local farmers.

Tarff Valley Ltd is run for the benefit of our farmer members and general customers alike and everything we do is aimed at helping them to run a profitable and sustainable business. Profits are redistributed to our members or are reinvested in the business to ensure that we have the resources needed to meet our customers needs.

Investing in Tarff Valley Ltd allows us to negotiate better deals with our suppliers and therefore gives us a stronger position within the market place by offering consistent and high quality products and services. Your investment helps raise funds to finance the company's operations therefore reducing our outlays with financial institutions.

The minimum membership investment per customer currently stands at £200 whilst the maximum per customer is £50,000. Each member receives a Members Share Pass Book, which logs all account transactions. Interest will be paid on investments on a yearly basis, dependent on the current financial climate and decided by the board of Directors.

Profits made by Tarff Valley Ltd in any given year, after taxation, are distributed as a members trading bonus at the discretion of the board of Directors. This payment will only be awarded if members trading accounts are kept within our normal trading terms, i.e all goods being paid for by the month end, after the month of delivery.

Members are encouraged to re-invest trading bonus and interest payments on a yearly basis. Investments can be withdrawn at any time by making a request in writing, to the Chief Executive, which will be brought forward to the next available board meeting for approval.

For more information speak with your Tarff Valley Sales Representative or any member of staff.
